Welding Sculpture- Project specifications will be sent out to Advisors. Contest project will be created at Local Labs & displayed at CWI

Advisors- Please remember that students must be registered as SkillsUSA Idaho members to compete. You are welcome to bring students as observers but do not bring extra students as fill-ins or substitutes for contests, they will not be allowed to compete and all are expected to pay registration fees for this event.

Please log on to the SkillsUSA Portal to register as State members and sign up for the State Conference.

<http://www.skillsusa-register.org/Login.aspx>

All Resumes are to be collected at Contest Briefings. If there is no Contest briefing, please bring Resumes to the Contests (Leadership and Skills Events).

The Contest Coordinator (Sean Courtright) and the Contest Chairs will determine if any last minute changes to contests are warranted.
